Re: Incident report (TVB)

On Tuesday, April 21, 2009 at approximately 10:25 A.M. I was at my work station (#7) when I observed and heard Mr. Capogrosso, screaming and yelling profanities and obscenities at Ms. Rabinovich (Tanya). At this time Mr. Capogrosso is sitting down. I observed him get up from his seat and approach Ms. Rabinovich (walking fast and hard toward her) when he bumped real hard into her as he tries to pass by her. (Which was very unnecessary - given he had plenty of room to walk around her.) I noticed she was very shaken by his actions.

This is the end of my statement.
